

Class: 5

Answer the following questions in own For Questions 1-8

Read the text and answer the questions 1, 2, 3 and 4

A person's birthday is a special day. This is the date when the person was born. People around the world celebrate birthdays in different ways. In many countries, people celebrate with a cake. There are candles on the cake. There is one candle for each year of the person's life. People sing a song for the person. At the end of the song, the person blows out the candles. In some countries, there is often a party for a child's birthday. The child's friends come to the home. There is special food, like sweets. The children play games and sing. The friends often bring a birthday gift for the child. The gifts are wrapped in colourful paper. The gift may be a toy, a book or some clothes. In some countries, the friends don't bring gifts. The most important thing is to enjoy the day and spend time with friends and family.

Read the text and answer the questions 5, 6, 7 and 8.

It is December and the season is winter. Mita's school is closed after the annual examination. Mita and her family have come near a forest for a picnic. Mita has brought her pet dog Tommy too. It is a nice sunny day. They have spread a mat under a big tree. Mita's father, Aminul Hoque is helping her mother, Sahera Banu. He is taking out the food from the basket. Sahera Banu has prepared pitha, khichuri, chicken and potato chops for the picnic. She is pouring water from a bottle into the glasses. Mita is running around and playing with Tommy. Tommy loves to play with balls. Mita throws a ball and Tommy catches it up in his mouth. He brings it back to Mita. Her sister Minu likes wild flowers. She is plucking flowers. Everybody is happy. They are having fun.
